

TAKE PRIDE SUPPORTERS

The Take Pride in America® Supporters program brings together associations, conservation and recreation organizations, and corporations to support the mission of Take Pride. Every partner contributes in a unique way by donating money, time, services and supplies to specific projects. After Take Pride was re-introduced in 2003, it quickly gained support from more than 100 groups. These groups became the Take Pride Charter Partners, a designation reserved to those that joined the program before January 1, 2005. Take Pride continues to welcome and actively recruit new organizations into the Supporters program. Take Pride appreciates the donations of these partners and recognizes them on the website, in the newsletter or on special printed materials.

PIONEER SUPPORTERS

Take Pride's most active contributors are the Pioneer Supporters. They commit financial and in-kind donations to the program and provide input on specific projects and initiatives. Each contributes in a unique way—from donating bookmarks for our Take Pride Schools program, hosting employee workdays or providing free seeds or other materials for a project.

Take Pride partners provided transportation for a series of volunteer events across Utah and Idaho in 2004.

STEWARD SUPPORTERS

Take Pride Steward Supporters also provide specific commitments of financial support which vary depending on the type of organization and size of contribution. Through their generous donations, Take Pride is able to provide supplies for volunteer events, honor volunteers with awards and communicate the message of Take Pride to the public.

Good Sam Club
Specialty Vehicle Institute of America
Unilever
National Marine Manufacturers Association
Motorcycle Industry Council
Dex Media, Inc.
National Wildlife Federation

Each Supporter contributes in a unique way, from loaning boats for a waterway clean up to rewarding volunteers with commemorative t-shirts for their participation.

GUARDIAN SUPPORTERS

Guardian Supporters contribute in-kind to the Take Pride program. Some loan boats for waterway cleanups, reward volunteers with t-shirts, gift certificates or food, and others place the Take Pride logo on their website or project materials, such as garbage bags. Charter Partners are listed below in bold.
